

FIRST DAY for All Students

Face to Face and Virtual Learners

- Login to Google Classroom (Detailed instructions and additional links are in the packet)
- Click the blue JOIN button on each classroom that you have been added to.
- Follow the directions posted by each teacher for each class.
- Virtual learners for the year, along with students learning remotely until September 8, will be provided instructions during each class period.
- Follow your daily schedule and login to each classroom for attendance and assignments.
- For the lunch/homeroom period, login for attendance, an opportunity to recite the pledge, and any other lessons your teacher may post.
- PE, music, art, fine arts (electives) will have specific instructions for their content and attendance, so please login on the first day during that class time for specific instructions.
- Schedules that students are receiving today are tentative, as counselors continue to balance classes and match services needed. Counselors will make every attempt to keep students on the same team with the same teachers, although the order of classes may need to be changed.

If you have any issues logging into your Chromebook or accessing Google classroom, please contact the BISD Help Desk 979-730-7450.

Materials:

- You have been provided with materials for both virtual and face to face learners.
- Return all materials with student names on the materials on August 31 & September 2 for 6th graders and September 1 & 3 for 5th graders September 8 to campus if your child is attending face face.

Phased In Learning

- **August 19-August 28:** All students will receive instruction virtually, except district staff children and students receiving services through Life Skills and BEST will be on campus.
- **August 31 and September 2 - 6th graders and September 1 and 3 - 5th graders**

What to bring for face to face learners:

Please send a water bottle with your child. You may also send a healthy snack. Students will also need a mask each day and a backpack for their materials.

Return all materials/workbooks/study guides that were distributed in August.

Due to social distancing, no visitors will be allowed on campus, including the first day and during meal times. Please contact the front office to schedule virtual appointments.

Please review all the handouts in this packet.

How to Log on to your Chromebook

Once you turn on your Chromebook, you will be asked to enter your username/email address.

- The student email address is:

firstinitiallastname~~last~~threedigitsofid@student.brazosportisd.net

(Example: Jon Smith ID# 57123 ::: jsmith123@student.brazosportisd.net)

You will need your student ID to reset or change your password, and your student ID is located under your name on your printed schedule. This is your lunch number.

Now you will be prompted to enter your password.

- Your password did not change from the previous school year. Please try entering that same password.
 - **5th Grade Password** is set to the Student ID/Lunch number.
 - **6th Grade Passwords** were created by the individual during the 2019-2020 school year and remain the same.
- If you tried to enter your password 2 times and it still does not work, or you do not remember your password, please visit the Password Reset Portal directions located on your screen.
- All technology concerns need to be addressed through BISD Technology Helpdesk at 979-730-7450; these include emails, passwords, logins, and hotspots. The campus is not able to assist with these concerns.
- If your child has not picked up a Chromebook, please contact Priscilla Gonzales at pgonzales@brazosportisd.net .

How to Access Google Classroom

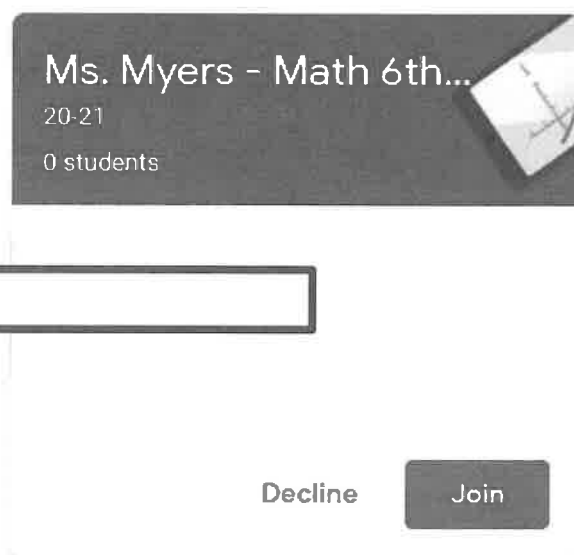

On BISD Connect Jr.
Click the Google Classroom symbol.

When you log into Google Classroom, you may see that you've been invited to classes. These should correspond with your schedule.

Click the blue "Join" button on each classroom that you have been added to in order to receive announcements and assignments from your teachers. Teachers will be adding students to their appropriate Google Classroom before school begins.

BISD Child Nutrition Services

For At Home/Virtual - Anyone enrolled in BISD but not attending face to face on campus

- Breakfast and lunch will be packaged together and may be picked up daily between 12-1 pm.
- Pick up will be curbside service. On the side of the campus.
- If a family has more than one child, they will be allowed to pick up all of their meals at one location.
- Students will be charged at their status of Free, Reduced, or Full Price.
- Please complete a new form online if you would like to benefit and qualify for free or reduced services. www.schoolcafe.com
- We will not be able to make change during curbside service, but we will be able to accept cash payments.
Ex. If a parent hands us a 20 dollar bill, we can deposit that into the child's account, but we are not able to give back change.
- These meals are only for ENROLLED students.
- Please bring your student's virtual schedule, car rider tag, or some type of proof of enrollment if possible. If you don't have anything, we can look your child up.

Dear Parents and Guardians,

In anticipation of a greater number of students being car riders and an effort to increase the efficiency of the arrival and dismissal process, we are making some changes to our procedures. Please review the information below as well as the attached diagram.

Arrival

- The car rider line will be on the side of the building by the gyms and cafeteria, and the students will enter the building through the glass doors.
- We will continue with NO left turn from Lake Rd. into the parking lot. Rasco staff will be the exception for AM left turns.
- Bus riders will be unloaded at the front entrance and enter the building through the front doors.
- Prior to entering the building, each student will need to put on a mask.
- At 7:30, cafeteria staff will begin serving breakfast.
- Any student who is eating breakfast will remain in the cafeteria until they are done eating. Any students who are not eating breakfast will report to the appropriate gym for their grade level where they will line up according to their first period teacher. We will have staff helping direct the students to their appropriate locations.

Dismissal

Car Riders

- We will continue with NO left turn from Lake Rd. into the parking lot.
- Parents will pick up their student in the same manner as the drop off, by entering the parking lot on the cafeteria/gym side.
- Each student will receive a car rider tag with a number assigned to them.
- We ask that you make sure that whoever is picking your child up has this tag displayed in their vehicle. If this tag is lost or if you need additional tags, contact the front office.
- All car riders will wait in the gym until their number is called.
- Staff will call for 10-15 students at a time, release the cars, and then call for the next group of students.
- All cars will need to turn right out of the parking lot for student safety and traffic flow.
- We hope this new procedure helps to not only expedite the process but also protect students from the rain or heat.

Walkers

- Walkers will be released first. They can either exit to the right and walk to the crossing guard at the stoplight or walk across the street with a Rasco staff member at the crosswalk.

Bus Riders

- Students who have registered for the bus and have been assigned a bus number will line up by their bus number inside the front hallway.
- All students must wear a mask when riding the bus and utilize hand sanitizer as they enter and exit the bus.

We recognize this is a new process, and we anticipate a learning curve, so we ask you in advance for your support and patience. Please know student safety and efficiency are our ultimate goals for arrival and dismissal.

Thank you so much for your support! Grady Rasco Administration
